

PRIMASTAR

## Ready for your next move

Robust, reliable and practical. The new Nissan Primastar is ready for whatever tomorrow brings. With the versatility to handle cargo of all shapes and sizes, the new Nissan Primastar keeps you on top of things wherever the road takes you.

# Key performance indicator

## LIGHT ON FUEL, STRONG ON POWER

Discover a powerful engine line up with power from 110 to 170 hp and torque of up to 380 Nm. Featuring variable-geometry turbocharger, stop/start and ECO mode, new Nissan Primastar's engine range balances performance with low running costs.

## LOW RUNNING COSTS

New Nissan Primastar engines are EURO6 compliant. Their performance coupled to 2 years / 18,000 miles service intervals make for very favourable running costs.

## GET THE JOB DONE

New Nissan Primastar is a highly capable load carrier. Even the standard version can take three Europallets or up to ten 2.5m long plasterboards. Lift the bulkhead flap\* and you can carry extra long items such as pipes or carpet rolls - up to 3.75m in the L1 model and up to 4.15m in the L2 model.

Van

Crew Van

Combi

## DESIGNED FOR YOU

There's an ideal new Nissan Primastar for you. Choose from two lengths and two heights for the Panel Van, or two lengths for the Combi or Crew Van.

## KEEP IN TOUCH

Keep in touch with NissanConnect\*\*, your navigation, communication and audio entertainment system. Display maps, music, info and phone files on your 8" colour touch screen, plus enjoy USB or Bluetooth® audio streaming.

\*\*Features available depending on version and grade, as standard or only as option (at an extra charge)

## Stylish and versatile

With its sleek LED headlamps, distinctive Interlock-grille design and bold side vents, new Nissan Primastar stands out in a crowd. For maximum versatility, you'll discover two lengths and two heights available for the Panel Van model, as well as a choice of two lengths for Crew Van models.

LED headlamps

Distinctive Interlock-grille design

Side vents with LED fog lamps

Features available depending on version and grade, as standard or only as option (at an extra charge)

NISSAN

PRIMASTAR

## More efficient, more powerful

New Nissan Primastar's efficient engine line-up offers power just when you need it, even on steeper climbs. With variable-geometry turbocharger, all variants offer a strong performance, with 110 to 170hp and up to 380Nm of torque. There is also a choice of transmissions available: a standard 6-speed manual or optional DCT automatic transmission.

For efficiency and lower running costs, all engines are Euro6D-compliant with Stop/Start and smart energy management technology, like ECO mode. For extra peace-of-mind, there's also Nissan's exceptional 5 year, 100,000 miles warranty.

Eco mode\*

Cruise control\*

\*Features available depending on version and grade, as standard or only as option (at an extra charge)

## Space to work or relax

With smart connectivity\*, up to 90 litres of storage space and foldable passenger seats\* that create a useful work table, new Nissan Primastar becomes your office on the road. Its car-like interior with satin chrome switches and high quality seat upholstery create a relaxed and comfortable space for a refined drive.

\*Features available depending on version and grade, as standard or only as option (at an extra charge)

54 litres of storage beneath the passenger seats\*

Convenient cup holder to safely hold your beverage\*

Mobile Office functionality\*

\*Features available depending on version and grade, as standard or only as option (at an extra charge)

# Always looking out for you

Make parking feel like child's play with front, rear and side parking sensors\* (ultrasonic) and rear parking camera\*. And thanks to a whole suite of other intelligent assistance systems available, new Nissan Primastar has your back in any driving situation.

#### BLIND SPOT WARNING\*

When the system detects a vehicle driving in an adjacent lane approaching the rear of the driver's vehicle - a common blind spot area, an LED light appears in the mirror on the side where the other vehicle is approaching. If the driver activates the turn indicator, the LED warning will flash continuously to alert the driver to the danger.

#### LANE DEPARTURE WARNING\*

Lane Departure Warning provides an alert to the driver if they are beginning to leave the travelling lane. The system visually monitors the left and right side lane markers of the traveling lane. If there is a risk of the vehicle leaving the travelling lane unintended, the system flashes an indicator and sounds a warning chime.

#### REAR VIEW CAMERA\*

Makes manoeuvring easier by giving you a clear view from the rear.

#### FRONT AND REAR PARKING SENSORS\*

All-round ultrasonic sensors provide 360° protection against low-speed impacts while parking and manoeuvring.

#### TRAFFIC SIGN RECOGNITION\*

Keeps you up to date with the latest speed limit by detecting road signs as you go.

#### INTELLIGENT EMERGENCY BRAKING\*

Continuously monitors the area in front of the vehicle to identify braking vehicles or parked vehicles and alert the driver to their presence. If the driver does not respond, the system will apply emergency braking.

\*Features available depending on version and grade, as standard or only as option (at an extra charge)

You should not rely solely on driver convenience features. Some features may not work in all conditions and circumstances. Speed and other limitations apply. For terms and conditions relating to Nissan technologies, please contact your Nissan dealer or [www.nissan.co.uk](http://www.nissan.co.uk)

The feature responsiveness and use can be impacted when car is receiving a bad signal. For optimal use, please make sure your car is under good network coverage.

Connecting a mobile phone to use NissanConnect should only be done when the car is parked safely. Use of the system should always be in accordance with the rules of The Highway Code. Drivers should only use the system when it is safe to do so. Users should be aware of the potential for hands-free technology to distract attention from the road, which could impact on having full control of the vehicle.

Features shown for illustration purposes only and may not be available, depending on version, or only available as an option (at an extra charge).

# Stay in the loop

You might be on the road, but you're never on your own. New Nissan Primastar's responsive 8" touchscreen is your portal to NissanConnect: apps, entertainment, intuitive navigation, advanced technology and more.

## NISSANCONNECT DISPLAY\*

The large touch screen NissanConnect display puts entertainment, settings, navigation and more at your fingertips. Enhanced voice recognition and easy smartphone integration make it easier than ever to access all the information you need.

## DRIVING AIDS\*

Tools to help you drive more easily, including parking assistance, tyre pressure monitoring and tips to help you adopt a more eco-friendly driving style.

## NAVIGATION\*

Turn-by-turn navigation gets you where you need to go. Insights including fuel consumption and average speed can help you drive even better.

## CONNECTIVITY\*

Connect your Android or iOS device for seamless connectivity including voice control. With Apple Car Play and Android Auto access your favourite music, messaging and other apps to stay informed and entertained on the go.

\*Features available depending on version and grade, as standard or only as option (at an extra charge)

You should not rely solely on driver convenience features. Some features may not work in all conditions and circumstances. Speed and other limitations apply. For terms and conditions relating to Nissan technologies, please contact your Nissan dealer or [www.nissan.co.uk](http://www.nissan.co.uk)

## New Nissan Primastar can handle it

The new Nissan Primastar is ready to take on any task. With a best-in-market length capacity of 4.15 meters and rear doors that open up to 180° (255° as option), it can tackle even the biggest jobs. Add clever storage tools and, depending on configuration, a maximum load volume between 3.2 to 8.6 m<sup>3</sup> and you have one highly versatile and accommodating load space.

Optional bright LED lighting makes it easier to work in the load space.

A 1.0m wide sliding door is available for one or both sides.

This clever device lets you lock a rear door open

PRIMASTAR

## A smart space

With sliding doors available on both sides, wide-opening rear doors and up to 16 anchor rings in the back, new Nissan Primastar makes loading effortless and securing your cargo simple, whatever shape or size it is.

\*Features available depending on version and grade, as standard or only as option (at an extra charge)

Bulkhead flap lifts to allow extra long objects - up to 3.75M in the L1 Primastar or 4.15M in the L2 Primastar.\*

Sliding side door is over a metre wide, so will easily take a Europallet.

Side-hinged rear doors open 90 /180 /255 for unimpeded, 1.3M wide access

Up to 16 built-in side and floor mounted tie-downs to keep your load secure.

## NISSAN LCV 5 YEAR MANUFACTURER WARRANTY

NISSAN now offers a standard 5 Year Pan-European Manufacturer Warranty on its whole LCV range\*. This is much more than just a warranty as it includes:

- 5 Year or 100,000 miles bumper-to-bumper protection
- 5 Year NISSAN Genuine Parts & Accessories Warranty
- 5 Year Roadside Assistance
- Fully transferable

And with service intervals at 2 years or 18,000 miles for Diesel engines, you'll not only have 5 years of peace of mind but also low running costs into the bargain.

AT NISSAN, YOU BRING OUT THE BEST IN US.

You spark our imagination. You provoke our ingenuity. You inspire us to change the rules and innovate. And at Nissan, innovation is not just about additions and extensions; it's about crossing the line to reinvent the status quo. It's about developing unexpected solutions to satisfy your wildest and most pragmatic desires. At Nissan, we design vehicles, accessories and services that break the mould - making the practical exciting and the exciting practical to offer you a more exhilarating driving experience everyday.

\*5 Year / 100,000 miles (whatever comes first) Manufacturer Warranty for the LCV range.  
Unlimited mileage for Nissan Genuine Parts & Accessories, Warranties and Roadside Assistance.  
For more details, please refer to Nissan Warranty Booklet.

## CUSTOMER SERVICES

### SPECIALISED LCV NETWORK

NISSAN provides a specialised network of LCV dealerships to support your specific commercial vehicle requirements:

- Pan-European coverage
- Dedicated LCV Sales & After Sales staff
- Competitive financing solutions
- Tailor made conversion offers
- Competitive extended warranty offers to go even beyond NISSAN LCV 5 Year Warranty.
- Test drive your choice

### AFTERSALES SERVICES

If your car breaks down, it's inconvenient. If your van breaks down, it's a serious blow to your business. Even time allowed for servicing is downtime, when your van isn't earning its keep. At Nissan, we understand these hard business facts. So we do the best to ensure that your van stays where it belongs – working for you, on the road.

### NISSAN SERVICE CONTRACTS AND EXTENDED WARRANTY

For total peace of mind and budget control, you can subscribe to a Nissan Service Contract which will cover your periodic maintenance and Wear & Tear parts for the mileage and period that suits your business best. This way, you can ensure that your Primastar is serviced by dedicated Nissan technicians. And for even more serenity, you can get an Extended Warranty to cover possible mechanical and electrical breakdown after the end of your Primastar warranty.

### 5 YEAR ROADSIDE ASSISTANCE

- Pan-European coverage for breakdowns, accidents, non-warrantable incidents (such as flat tyres, lost keys, wrong fuel...)
- 24/7, 365 days
- Emergency Call Centre
- Prompt roadside assistance

If this is not possible and your vehicle is still immobilised after a few hours, we will make sure you are provided with a courtesy vehicle as soon as possible or if necessary, overnight accommodation and travel to your onward destination or back to your base. We will also recover your immobilised vehicle.

Nissan Intelligent Mobility moves you one step ahead. In vehicles that feel like an extension of you, helping you see more and sense more, reacting with you, and sometimes even for you. Nissan Intelligent Mobility is about a better future – moving us to a world that's safer, more sustainable, and exciting.
